Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Thursday 29 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A largely sunny and dry day, feeling breezy.

Today:
A bright and dry start to the day for most, with sunshine through the morning. Patchy cloud starting to develop through the afternoon, but still with plenty of sunny spells. A notable breeze. Maximum temperature 21 deg C (70 deg F).

Tonight:
Largely dry through the evening, with increasing cloud. Rain, at times heavy, moving northwards across the region through the early hours. A breezy night for all. Minimum temperature 12 deg C (54 deg F).

Friday:
A largely cloudy start with overnight outbreaks of rain gradually clearing through the morning, leaving behind sunny spells and scattered showers. Showers locally heavy and perhaps thundery. Remaining breezy. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:
Predominately sunshine and isolated showers over the weekend, some of the showers occasionally heavy. Somewhat cloudier on Monday with some showery outbreaks of rain.
